
Nasullayev Nizomjon Nabijonivich

Full-Stack Developer

nasullayevnizom7@gmail.com +998 90 339 4741 Uzbekistan, Bukhara

Summary

I am a Full-stack developer. I have xperienced with many programming languages such as HTML/CSS, JavaScript, Redux, Python (fastAPI, JWT), Sql/PostgreSql, React, TypeScript, Node.js, and Firebase. I work across the whole stack — designing systems, building APIs, and crafting UIs that feel great to use. I enjoy turning ideas into real products with great user experience.

Education

Asian International University

Bachelor degree • 3
Uzbekistan, Bukhara • 4

Skills

- HTML
- CSS
- JavaScript
- Redux
- Firebase, Firestore, Python
